

the Hospital Clinico Quirurgico Comandante Fajardo due to his opposition to Castro's communist regime.

In 1968, Osvaldo arrived in the United States with his family. Committed to helping those in need of medical assistance in his new country, Osvaldo completed an internship at Mount Sinai Hospital in Miami Beach, FL, and completed his specialty in radiology at Jackson Memorial Hospital. In 1972, Osvaldo opened his own private practice specializing in diagnostic radiology in Coral Gables, FL. For more than 50 years, it has remained in the same location and has helped countless Floridians in need of consulting doctors and seeking medical treatment.

Osvaldo is also a member of the Latin American Society of Radiology, is the president of the Physicians' Assistant Hospital and Annexes Association, and has been a volunteer doctor of La Liga Contra El Cancer for 35 years. Previously, he served as president of the Cuban Revolutionary Forum.

Osvaldo's medical work over the years has undoubtedly saved countless lives in Florida. I am grateful for his decades of service to the people of Florida and for his fight against communism in Cuba. I extend my best wishes on his 92nd birthday.●

TRIBUTE TO GREG GERRITT

● Mr. WHITEHOUSE. Madam President, I rise today to honor an important advocate for environmental preservation and addressing climate change, Greg Gerritt. Mr. Gerritt has worked for the past 20 years for the Environmental Council of Rhode Island, retiring in January of this year. He served as the coordinator for the Compost Initiative, which earned a 2012 EPA Region 1 Merit Award, and founded the Rhode Island Compost Conference. Last year, the Environmental Protection Agency awarded him an Environmental Merit for Lifetime Achievement.

Mr. Gerritt grew up in New York City before earning a bachelor's degree in anthropology from University of Maine. He organized his high school's first Earth Day and has since continuously engaged across communities to support a sustainable green economy in Rhode Island. He founded and served on the board of the Environmental Justice League of Rhode Island, began the Buy Nothing Day Winter Coat Exchange, which has occurred on the day after Thanksgiving for over 20 years, and ran for mayor of Providence as a Green Party candidate. Mr. Gerritt also founded and is the watershed steward for Friends of the Moshassuck, an organization dedicated to preservation, restoration, and revitalization of the Moshassuck River. He created a wetland habitat by restoring a small stormwater drain in the North Burial Ground in Providence and, for over a decade, has produced about 1,500 videos documenting wildlife in this urban

landscape and at locations around the Seekonk River.

I am pleased to recognize Mr. Gerritt's accomplishments in environmental advocacy, justice, and preservation of natural resources and extend my appreciation for his work for our State and environment.●
